

SINGLE POINT

SINGLE POINT SPRING SUSPENSION

SP

Optional rubber bushing now available

SINGLE POINT

Our **Single Point** suspension series is designed to perform, on- and off highway, in the most demanding applications. Its proven durability and performance makes it ideal for dump trailers, refuse haulers, port operations and specialized equipment.

- **Capacity: 50,000 - 80,000 pounds**
- **Extra heavy-duty 5 inch wide leaf springs and cast steel components**
- **Standard poly bushings provide free rotation and increased life**
- **Available with straddle or trunnion mount to accommodate customer mounting height requirements**
- **Numerous trunnion and axle combinations with axle seats that accommodate both 5- and 5.75-inch round axles**
- **5-year limited warranty***

* Contact your local Watson & Chalin representative for complete warranty terms, conditions and limitations.
